HERE COMES RAVEN COTTONTAIL ...

Activity Director,
Stormy Moring

We would like to give a shout out to our caregiver, Raven Baldwin, for volunteering to be our Easter Bunny this year. Raven Cottontail spread Easter joy and treats throughout our Knollwood Pointe Assisted Living Community. **THANK YOU, RAVEN, FOR YOUR SELFLESS ACTIONS IN OUR COMMUNITY!**

AGE IS JUST A NUMBER!

All bets were on Ms. Iris when it came to who would sit on the Easter Bunny's lap! She reminds us all that you're never too old to enjoy childhood pleasures.

The Woman Behind Father's Day

It took a mother to bring equity to fathers. As she sat in church more than 100 years ago in Spokane, Wash., Sonora Smart Dodd listened to a sermon about Mother's Day. It made her wonder why there was no Father's Day. Dodd, one of six children, was determined to find a way to honor her father, who raised the family after Dodd's mother died. That year, 1909, Dodd took her concerns to the Spokane Ministerial Alliance and suggested that fathers have their day. Her idea gained support. On June 19, 1910, Spokane recognized the first Father's Day on record. Dodd, who had a son of her own, must have appreciated it when President Calvin Coolidge approved a nationwide celebration of Father's Day in 1924. Dodd, an Arkansas native, was 96 when she died in 1978.

**Soups in
Summer**

Usually a cozy winter meal, soup can be a great choice for summer, too. Popular selections for the season include cold soups like gazpacho or creamy cucumber soup, as well as recipes starring summer produce, such as corn chowder or vegetable stew with zucchini, okra and bell peppers.

"The lemon is the symbol of tart refreshment; its color and fragrance lift our spirits before we even taste it."

RED HAT LADIES' MOTHER'S DAY TEA PARTY

Memory Care Activity Director, Jess Kimbler, sponsored and hosted the annual Mother's Day Tea Party. Ladies from the ALF and SCALF communities were invited to gather together and celebrate motherhood.

The ladies donned their hats for a photo op at the annual Mother's Day Tea!

A Flower for Moms

The carnation is regarded as the official flower of Mother's Day. The holiday's founder, Anna Jarvis, chose the frilly, fragrant bloom because it was her mother's favorite flower, and 500 white carnations were handed out at the first Mother's Day observance in 1908. Act. Dir. Jess Kimbler partnered with Le Roy's Florist in Tillman's Corner to present every lady with a silk carnation corsage.

ENTERING & EXITING THE COMMUNITY

- Please be aware that our policy regarding entering our community has been updated. Moving forward, all visitors and guests must enter and exit the community through the front door only and sign in at the front desk.
 - The side entrance will only be used when loading and unloading residents and for employee entrance/exit.
 - Staff are prohibited from giving out the door codes to the side entrance as well as the Memory Care entrance. Please do not ask staff for these codes. Our number one goal is to keep our community as secure as possible.
 - For the safety of all our residents, staff members and visitors, please remember to sign out when leaving the community and alert the nurse on duty when taking a resident out of the community as well as signing the resident back in upon return to the community.
- Thank you all for trusting us with the lives of your loved ones. We are working diligently to ensure that every resident is living in a safe, secure environment. Together, we can achieve this goal!
