JUNE 2023

Associate Spotlight

HERE COMES RAVEN COTTONTAIL ...

We would like to thank our Assisted Living caregiver, Raven Baldwin, for volunteering to be our Easter Bunny this year. Raven spread Easter joy and treats throughout the Knollwood Pointe Community and hosted a photo-op with our Memory Care residents.

THE WEATHER IS TOO WARM FOR A FUR COAT!

Resident Care Coordinator, Charnelle Nichols, stopped to take a photo opportunity with Raven Cottontail after having to fan the Easter Bunny down.

Props to Pops

Happy Father's Day to the fathers and grandfathers in our community! We hope you enjoy your special day.

Summertime Sips

This summer, relax and unwind by enjoying an Arnold Palmer, the refreshing beverage created and loved by its legendary namesake. He got the idea one day at lunch to add lemonade to his wife's batch of iced tea, and he experimented until he found the perfect ratio: 2 parts iced tea to 1 part lemonade. Palmer began carrying a thermos of the concoction on courses and ordering the mixed beverage in restaurants, and the drink was eventually named after him.

Self-Care Corner: Chill Out

Using a skin care sheet mask is a popular way to relax and pamper yourself. During warm months, store a few masks in the fridge so you can pop one on your face at the end of a hot day. The chilled moisturizing mask will soothe flushed skin and quickly cool down your whole body.

"The lemon is the symbol of tart refreshment; its color and fragrance lift our spirits before we even taste it."

RED HAT LADIES' MOTHER'S DAY TEA PARTY

Activity Director, Jess Kimbler, sponsored our Mother's Day Tea Party. All ladies from the ALF & SCALF community were invited to celebrate Mother's Day. Jess provided each special lady with a gift bag as well as a beautiful corsage from Le Roy's Florist in Tillman's Corner! The smiles say it all!

Random Act of Kindness

Consider paying the bill for someone else at a restaurant. Whether it's a couple celebrating an anniversary, a mom or dad enjoying a meal out with a child, or just someone who inspires you in some way, everyone's moods will get a lift if you tell their server to put the meal on your tab.

ENTERING & EXITING THE COMMUNITY

- Please be aware that our policy regarding entering our community has been updated. Moving forward, all visitors and guests must enter and exit the community through the front door only and sign in at the front desk.
 - The side entrance will only be used when loading and unloading residents and for employee entrance/exit.
 - Staff are prohibited from giving out the door codes to the side entrance as well as the Memory Care entrance. Please do not ask staff for these codes. Our number one goal is to keep our community as secure as possible.
 - For the safety of all our residents, staff members and visitors, please remember to sign out when leaving the community and alert the nurse on duty when taking a resident out of the community as well as signing the resident back in upon return to the community.
- Thank you all for trusting us with the lives of your loved ones. We are working diligently to ensure that every resident is living in a safe, secure environment. Together, we can achieve this goal!
